## IN LOVING MEMORY
## OF
## LUCILLE ROBINSON

Lucille Robinson was born on April 27, 1914, to Dave and Kate Allison of Clayton, Texas. To this family eight children were born, she was the second youngest. Seven siblings preceded her in death.

She attended school in Panola County, Texas. She accepted Jesus Christ as her personal savior and united with Old Bethel Clayton Baptist Church in Clayton, Texas at an early age. Upon moving to Dallas Texas, in 1940 she joined Mt. Olive Baptist Church. Later she joined the First Missionary Baptist Church in Banning, CA. She was a faithful member until her health failed her, and upon her moving to Vallejo, CA in September 1993.

Lucille married Willie James Reagins and to this union one child was born, Hazel Reagins.

She loved her family. Her greatest joy was the time they shared together.

Lucille Robinson departed this life after an extended illness.

To cherish her memories she leaves a daughter, Hazel Williams, one son-in-law, Willie Williams, both of Vallejo, five granddaughters, one grandson, nine great-grandchildren, a host of nieces, nephews, and other relatives and friends.

Each of us truly loved Lucille and will miss her, but God loved her best.
